## **BOOK SYNOPSIS**

The key to perfect patchwork is getting all of the points to match up -- which is no easy feat! Thanks to the rediscovery of a traditional technique known as English paper piecing, success is now possible for quilters of all levels. By cutting the desired shapes from paper, basting the paper to the back of your fabric, and then hand-sewing the pieces together, you'll ensure perfectly matched points every time. This complete course in English paper piecing takes you far beyond traditional hexagons with step-by-step photos showing you how to connect triangles, octagons, diamonds, jewels, triangles, tumblers, pentagons, and curved shapes. It even provides dozens of ideas for incorporating the pattern designs into clothing, pillows, quilts, and home decor items!

### **WEISS RATINGS GUIDE TO BANKS SPRING 2016 WEISS RATINGS GUIDE TO BANKS AND THRIFTS**
